Delivery or installation required by December 1, 2025

## Pasture Mat

The Promat Pasture Mat™ has been improving cow comfort for decades. Promat's rubber crumb filled mattress is at the core of the Pasture Mat™. The rubber crumb is contained in interior baffles that ensure the crumb stays where it can provide the best comfort. It is designed to not spread or become dished out. It provides excellent softness and repetitive force absorption.

### Full System Includes:

- Pasture Mat
- 1.5" Comfort Pad
- HRC or CS Top Cover

### Benefits:

- Mimics a natural pasture.
- Requires minimal bedding.

## Comfort Mat

The Comfort Mat has been designed to deliver the ultimate comfort experience for cows. It relies on a high-density memory foam Comfort Pad instead of a mattress and foam. Typically 3" thick, the high-density memory foam provides excellent impact absorption and industry-leading comfort and support.

### Full System Includes:

- Plastic moisture barrier
- 3" Comfort Mat
- HRC Top Cover

### Benefits:

- Pressure relieving foam promotes improved circulation.
- Requires minimal bedding.
